Machinery, Low Voltage & EMC Directives: The products described in this document conform to relevant EU Directives and Standards. They are intended for use by competent personnel with the skills necessary to effect safe and reliable installation. The performance of the overall system in which the products are employed is the sole responsibility of the installer. Whilst every care has been taken in the design and construction of the product, no liability is accepted for any consequence of its use. No licence to use any patent should be assumed. All dimensions quoted are approximate only and subject to change without notice, as are other technical features resulting from continual development and improvement.
