

Wiha. Premium Tools
for Professionals.

Wiha Square Handle. The Classic Screwdriver for Multiple Applications.

*Wiha Square handle,
impact resistant and
cadmium-free –
also withstands a few
hammer strokes.*

Square Handle Advantages:

- **Robust, large-surface handle made of impact-resistant plastic material, chemical and oil-resistant**
- **Smooth handle surface allows easy cleaning**
- **Wiha ChromeTop-finish on tip for a perfect fit every time**
- **Takes up a small amount of space in the toolbox**

The Wiha Square handle screwdriver is the classic screwdriver for everyday use in multiple applications.

Its robust handle is manufactured from high quality plastic and is impact-resistant, non-splintering and recyclable.

Users appreciate its multiplicity and high quality, which is also expressed through the hardened chrome-vanadium-molybdenum steel blade.
