|-----------------------------|------------------------------------|
| Brand:                      | AMP                                |
| RoHS/ELV Compliance:        | RoHS compliant, ELV compliant      |
| Lead Free Solder Process:   | Not relevant for lead free process |
| Product Type:               | Housing                            |
| Contact Diameter (mm [in]): | 2.13 [0.084]                       |
| No. of Circuits:            | 1                                  |
| Contact Layout:             | In-Line                            |
| Housing Type:               | Receptacle (Cap)                   |
| Mount:                      | Free Hanging                       |
| Packaging Method:           | One Piece Housing                  |
| Housing Material:           | Nylon                              |
| Color:                      | Red                                |
| Lock Type:                  | Detent Lock                        |

|                                     |                       |
|-------------------------------------|-----------------------|
| <b>RoHS/ELV Compliance History:</b> | Always was compliant  |
| <b>Connector Line:</b>              | Commercial MATE-N-LOK |
| <b>Voltage (VAC):</b>               | 250                   |
| <b>Housing Flammability Rating:</b> | UL 94V-2              |

## HTML Pages converted to PDF Document

This document contain component information from the manufacturer's website which are not available in a revision controlled document from the manufacturer. To facilitate the addition of these parts into the Electronics Database, we are converting the HTML pages related to that part, from the manufacturer's website into Adobe PDF format. The contents of this document is based on the information provided on the manufacturer's website, therefore the information may have been changed by the manufacturer since this was created.
