

.156" (3.96 mm) Dip Solder Connector

3600 Series

This double tail dip solder connector provides extra stability, and the low profile allows for dense packaging options. Supplied complete with contacts.

Mates with 3100-1, 3100-3, 3100-7 Series header and .045" round or square pins staked into P.C. boards.

Housing Material: Nylon

Contacts: Plated brass
