Order Information	3
Thermal, Storage, and Handling Information	3
Absolute Maximum Ratings	4
Functional Block Diagram	4
Pin Description	5
Package Pin-Out	5
PI3420-00-LGIZ Electrical Characteristics	6
PI3421-00-LGIZ Electrical Characteristics	9
PI3422-00-LGIZ Electrical Characteristics	12
PI3423-00-LGIZ Electrical Characteristics	15
PI3424-00-LGIZ Electrical Characteristics	18
Thermal Derating Curves	21
Functional Description	22
ENABLE	22
Remote Sensing	22
Switching Frequency Synchronization	22
Soft-Start	22
Output Voltage Trim	22
Output Current Limit Protection	22
Input Undervoltage Lockout	22
Input Overvoltage Lockout	22
Output Ovevoltage Protection	23
Overtemperature Protection	23
Parallel Operation	23
Pulse Skip Mode (PSM)	23
Variable Frequency Operation	23
